

January 29, 1970

Mr. Donald K. Harmeson
State Board of Health
Dover, Delaware

Dear Mr. Harmeson:

Enclosed please find a report from University of Delaware pertaining to coliform counts in water wells around Tybouts Landfill.

As you can see the coliform count is 0, also for the Wolfe well at the time of this sampling.

We think, however, that you should proceed with your investigation of this matter.

Very truly yours,

G. W. Dutcher
Director of Public Works

Uldis Karls
Assistant County Engineer
